

NEWS RELEASE

FOR IMMEDIATE RELEASE

The City of Fairfield's Water Division will be conducting the first phase of the annual fire hydrant flushing program. Water main line flushing will be conducted on Thursday, May 12th, 2016 beginning at 4:00 p.m. and continue for 4 to 6 hours. Residents may experience discolored water for a short period of time. Water should be clear after allowing services to flush for a period of 5 - 10 minutes.

The affected areas will include areas east of Groh Lane and west of Pleasant Avenue from the City's north corporation limit, south to Sherry Lane.
