Proposed Amendments to the Fairfield Codified Ordinances

Planning Commission recommendation is needed regarding proposed changes to the Codified Ordinances. These changes address regulating plastic or resin sheds in residential zoning districts; flutter flags as temporary signage; re-classifying motor vehicle service and/or fuel dispensing as a Conditional Use in the D-1 and D-1A zoning districts; widening of fire lanes in M-2 districts; and modifying Chapter 1199, Lands Subject to Flooding, to incorporate changes being mandated by the Ohio Department of Natural Resources.
